Dear Faithful Catholic Nurses,

RE: Letter of Invitation to the 2026 CICIAMS XXII World Congress: 9-13 November, 2026
Baan Phu Waan Pastoral Training Center of the Archdiocese of Bangkok
2/4 Moo 6, Phet Kasem Road, Tha Kham, Samphran, Nakhon Pathom 73110 Thailand

On behalf of the Catholic Nurses' Guild of Thailand (CNG-TH) and the Organizing Committee, I am honored to invite you to the 2026 CICIAMS XXII World Congress. The International Catholic Committee for Nurses and Medico-Social Assistants (CICIAMS) held its first meeting in Lourdes in 1933. In 1938, Pope Pius XI, through his representative Cardinal G. Pizzardo, encouraged bishops to establish local associations of Catholic nurses tailored to the needs of their dioceses, with the goal of eventually forming national organizations. Since its founding, CICIAMS has organized World Congresses across all four global regions, fostering unity and collaboration among Catholic healthcare professionals worldwide.

This five-day gathering will unite Catholic nurses from around the world for spiritual enrichment, professional development, and meaningful opportunities for global collaboration. Centered on the theme **"Human Dignity and Peace: Time for Transformation,"** the Congress aims to inspire renewed commitment to our shared mission.
